From: Dewey Hosie, MHA TERO Deputy Director

Subj: MHA TERO LICENSING REQUIREMENT - PREFERENCE PARTNERSHIP AGREEMENT (PPA)

By direction of the MHA TERO Commission, the TERO staff will begin tracking Preference Partnership Agreements (PPA) between all Certified Indian Contractors and the subcontractors involved in that relationship.

**EFFECTIVE IMMEDIATELY**, any subcontractor seeking a MHA TERO Business License will be required to provide a copy of the TERO-approved PPA cover sheet.

You must request a copy of this cover sheet from the Certified Indian Contractor with whom you are affiliated with and include a copy with your MHA TERO Business License application. If you do not provide the TERO-approved PPA cover sheet, you will not be allowed to place the PPA relationship within your application information. If you do not have a PPA set up with a Certified Indian Contractor, this requirement does not apply to you.

If you have any questions, please contact the MHA TERO Licensing Department at (701) 627-6267. Thank you.
