In accordance with MHA TERO Regulations, part 3.2 - Preference on Contracts & Subcontracts Involving Oil and Gas Exploration, Production and Ancillary Services - TERO publishes this list after approval by the TERO Commission & TERO Director. Indian Contractors are encouraged to submit Service Justification Questionnaires with the goal of updating this list with the most current information. This list is subject to change, with or without notice, as TERO intends to perform additional due diligence in determining whether Qualified Indian Contractors should be classified as Self-Performers.

Preference under this list is applicable ONLY to the Indian Contractor listed and does not extend to any subcontractor.

Changes in blue indicate that Contractor has been removed from Self Performing list.

Changes: J&J Rentals - changes to primary and secondary contacts for Hydrotesting & Scan-a-Log
 BOP Torque & Test - added service to Drilling, Completions and Workovers - SP TBD
