MHA TERO BROKERS LISTING

3.2 E Broker Agreements
A Broker Agreement (Broker(s)) is a TERO approved agreement between a CIC and a Subcontractor for the performance of service(s) for which the CIC is not self-performing, does not have a MA, and does not have equipment or staff for the service(s). Unlike an MA, a Broker Agreement does not require a mentorship plan.

Duration of Broker Agreement is limited to 1 year; the Agreements must be renewed annually with TERO and require TERO Commission approval.

*Start Date is based on TERO Commission approval date.
